

Nine, Ten SOLE Project

Step One: Answer the Focus Question “How did the event or person have an effect on the USA?”

- Choose **one** topic to research: World Trade Center, Pentagon, Flight 93, or first responders to crisis situation

Step Two: Begin researching information about your selected topic. Use reliable sources (copy and paste your sources to your presentation).

Topic: World Trade Center (before 2001)

Pentagon

Questions to answer:

1. Where is/was this building located? How many people worked there? Why is it important to the USA?
2. What happened to this building on Sept. 11, 2001? How many were injured?
3. What has happened to this building since 2001? Changes? Improvements? Memorials?
4. How do you think the events of Sept. 11th affected the American people? How do these events still affect the American people today?

Topic: Flight 93 first responders to a crisis

Questions to answer:

1. Describe how these people might be considered heroes. What did/do these people do?
2. Why are these people important to the events of Sept. 11, 2001? How many were injured?
3. What has happened to these people since 2001? Changes? Improvements? Memorials?
4. How do you think the events of Sept. 11th affected the American people? How do these events still affect the American people today?

Step Three: Create a display to share your information. Select one method:

- a ¾ full Google Doc page sharing pictures about the event/people; ¼ description of what is happening
- a keynote presentation with large pictures and several sentences describing what is happening
- a video presentation of yourself sharing the information that researched (2-3 minutes in length)
- *** emphasize your answer to the Focus Question: **“How did the event or person have an effect on the USA?”** ***
